

Become a River Friends member today

Becoming a River Friends member is the easiest way to help us protect and promote our waterways and make them safer and more fun to enjoy.

Your membership will help:

- Build and maintain boat launches, fishing access and nature trails.
- Provide more guided paddles, hikes and eco-recreation events.
- Reconnect children with nature and make them more aware of the future roles they will play in protecting our environment. You can help us teach the next generation to be lifetime river stewards.
- Improve our quality of life, economy and natural environment.
